# Connecting at LAX 在洛杉矶转机

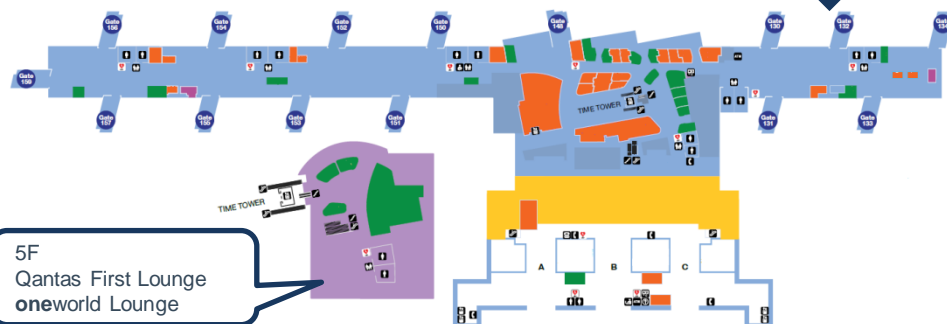

## Terminal 4 Connector 4号航站楼接驳

This facility consists of the design and construction of a multi-use, multi-level facility providing a secure connection between the Tom Bradley International Terminal (TBIT) and Terminal 4. This secure bridge allows passengers to transfer flights without having to re-enter security checkpoints, ultimately making it easier for passengers to make connecting flights out of different terminals.

客人抵达Tom Bradley 国际机场航站楼(TBIT)后,可以通过我们的设施无缝连接到4号航站楼乘坐AA的下一个航班。
