### **Samsung Galaxy Note 7 Devices are prohibited on board**

Further to Civil Aviation Department advisory notice and also that Transport Canada has banned Samsung Galaxy Note 7 devices from commercial aircraft in Canada, for safety reasons, Air Canada informs customers with this device not to travel with it or bring it to the airport. Travellers will not be permitted to board aircraft with this device or in their checked luggage.

Please refer to below webpage for more about restricted or prohibited items on board our aircraft:
