### Hong Kong Passenger Security Charge tax (I5)

Air New Zealand has been advised that the Hong Kong Airport Passenger Security Charge, currently collected as Q surcharge, will be assigned a tax code (I5) for collection in the Ticket Tax Box effective for sales and travel on/after 1 May 2017.

For ticket reissues on/after 1 May 2017, tax can be exempt for date change. However, if rerouting the fare should be reassessed and additional tax collected.

Your GDS will be updated 1 May 2017.
