

## FREE BAGGAGE ALLOWANCE REVISION

Please be informed effective 1<sup>st</sup> December 2017, Malindo Airways will revise **Free Baggage Allowance for Economy Class Jet Operations (Boeing)** for bookings which are ticketed on and after 1<sup>st</sup> December 2017.

Any bookings made on or before 30<sup>th</sup> November 2017 will attract the current Free Baggage Allowance.

Free Baggage Allowance for **Economy Class passengers will be 25KG for the entire network, including Amritsar (ATQ) & Delhi (DEL) for both inbound and outbound segments. This revision will also impact our Codeshare Flights with our Sister Airline, Batik Air (ID).**

However, please take note that Free Baggage Allowance for **Dhaka (DAC) and Chittagong (CGP) will remain as is at 35KG.**

With this implementation, **the two (2) piece luggage restriction imposed currently will be revoked for Jet Operations (Boeing)**, allowing passengers to carry more than two (2) luggage, as long the total weight of the baggage is within the permitted Free Baggage Allowance.

**Free Baggage Allowance for ATR operations will remain as is at 15KG.**

Along with this Free Baggage Allowance revision, Malindo Airways will also revise the pricing tiers of the pre-book baggage allowance. Chargers will be updated in the system accordingly.

Kindly ensure this revision is cascaded to all front liners, line stations, team members and departments concerned.

Thank you for your kind cooperation.
