## **ECONOMY CLASS DELIGHT BOOKINGS – MANUAL PRICING**

For the Economy Class Delight bookings (V class), travel agents can now manually build the fare of the booking class available at the point of PNR creation.

### **Outline of process**

- Please be reminded to always store fares at time of creation.
- If fare does not price/price changes due to inventory change – build this manually.
- As long as the fare is built correctly there will be no ADM as based on PNR creation date.
