| CAT No. | CATEGORY                               | NOTE TEXT   |
|---------|--|---|
|         | RULE APPLICATION AREA CLASS OF SERVICE | From China to TC2,TC3 These fares apply for First , Business, Premium Economy, Economy class service Fares governed by this rule can be used to create one-way, round-trip, single open jaw and double open jaw journeys  |
| 1       | ELIGIBILITY                            | Capacity Limitations - The carrier shall limit the number of passengers carried on any one flight at the fares governed by this rule and such fares will not necessarily be available on all flights.  The number of seats which the carrier shall make available on a given flight may vary and will be determined by the carriers best judgement.   |
| 3       | SEASONALITY                            | The outbound first international sector will determine the seasonality for the fare component.  |
| 5       | ADVANCE RESERVATION / TICKETING        | Ticket must be inserted - NVA/NVB - Travel date Reservation are required for all sectors.  Wallisted bookings not permitted for ticketing. Reservations without ticket numbers can be cancelled by the carrier.  Due to automated Ticketing deadline control difference, could exist between the fare rule last ticketing date and the system generated ticketing deadline message. The more restrictive ticketing deadline applies.  |
| 9       | TRANSFERS                              | Additional transfer at other points resulting from add-on construction with other airlines is permitted subject to the interline agreement Fare break surface sectors not permitted and embedded surface sectors permitted on the fare component.   |
| 10      | COMBINATIONS                           | Fares governed by this rule can be used to create one-way, round-trip, single open jaw and double open jaw journeys Fares may be combined on a half return basis in order to construct RT/OJ A maximum of two international fare break points are permitted. Combination with Add-on Bucket is permitted End on End Combination and side-trips are not permitted. Add-ons are only permitted subject to the Interline Fare Agreement When fares of mixed booking classes are combined on a half return basis, the fare conditions of the most restrictive fare will apply. Open jaw at origin between China and Hong Kong is permitted by applying China fare, mix RBD/mix class is permitted.  |
| 16      | PENALTIES                              | All Charges are not commissionable General information for cancellation/febrid in Cancellation for Cancellation/febrid in Cancellation for Cancellation/febrid in Cancellation for Cancellation for Cancellation for Cancellation/febrid in Cancellation for |
| 19      | CHILDREN AND INFANT DISCOUNT           | The age limites referred to in this rules shall be those in effect on the date of commencement of travel. Exception - infants who reach their 2nd birthday during their travel will be required to occupy a seat on the outbound and inbound flights. The child fare must be apply for the whole journey.   |
| 23      |  | This fare may not be used as a high or low fare when calculating a differential. This fare may not be used as a through fare when pricing a fare component with a differential.  Mileage accrual for ROP may vary subject to TG terms and conditions.  Full and sequence use of flight coupon. Ticket is not valid if the first coupon has not been used and will not be honored if all coupon are not used in the sequence provided in the E-Ticket.  Fare and conditions are subject to change with or without prior notice.  In case if wrong RBD is used, fare for the higher RBD will be used.  Any deviation from the rules, higher RBD fare will apply.  |
