

## ROUTES - The suspension of domestic and international operation in Argentina is extended

<b>Description:</b>	In line with local regulatory provisions, the suspension of domestic and international operations to / from Argentina extends <b>until August 31, 2020</b> .
<b>Scope:</b>	Domestic and international operation from/to Argentina
<b>Implementation date:</b>	<b>Reservations will be canceled within the next few hours.</b>
<b>Considerations:</b>	<ul style="list-style-type: none"><li>• Reservations will not have a flight protection due to restrictions to operate from / to Argentina. However, all passengers affected will be able to take advantage of the flexibilities established due to Coronavirus.</li><li>• Agents may reschedule trips based on availability in the systems and following the definitions established in the Coronavirus exception policies.</li></ul>
