<b>Operator overview</b>	Azul Linhas Aéreas is a Brazilian commercial airline based in Alphaville, a city in Barueri, State of Sao Paulo. It currently serves 100 destinations across Brazil	
<b>Service to begin on</b>	Tickets are available for travel from August 17, 2020 onwards.	
<b>Type of agreement</b>	Free sale and bilateral sale (both companies issue the ticket)	
<b>Ticketing stock</b>	957, 045.	
<b>Services available on LA* flights</b>	<p>Special passengers and Special Services must be handled directly on the operating flight.</p> <p>Exceptionally and only in combined itineraries between LA and LA* (operator by AD), the processing of the medical certification may be carried out by the owner of the issuing ticket stock for the entire itinerary.</p>	

<b>Baggage policy</b>	<p>Checked Baggage: The baggage policy of the Most Significant Carrier applies. If the MSC is a codeshare flight, the marketing carrier's policy applies. This is automatically indicated in the ticket and may be viewed at the time of pricing.</p> <p>For details, check section Baggage &gt; <b>Interline Baggage</b>.</p> <p>Carry-On Baggage: The operator's policy applies. Check Azul website.</p> <p>Other baggage fees: The operator's baggage fee policy applies.</p>
<b>Ancillaries</b>	<p>Ancillaries with EMD-A are not available on this codeshare operation.</p>
<b>Other considerations:</b>	<p><b>Reservations on pure AD flights are NOT permitted. In other words, all reservations must be booked on an LA* marketed flight.</b></p> <p><b>In cases that are issued outside of commercial procedures established, the agencies will be penalized for these irregularities.</b></p>
<b>LATAM Trade:</b>	<p>Sales &gt; Codeshare.</p>
