TRAVELLING TO FINLAND

The Finnish Border Guard has updated the requirements for entry to Finland as of 19 September 2020.

Published 18.09.2020Updated 21.11.2020

Countries have been divided into categories and coded with colors. The color indicates if you can travel to Finland without any restrictions or whether restrictions still apply.

- **Green** (Schengen country): You may enter Finland without restrictions and there is no border control.
- Green (non-Schengen EU-country): You may enter Finland without restrictions, but you will go through border control.
- Red green (non-Schengen/non-EU country): You may enter Finland without restrictions if you are a permanent resident of one the red-green countries and arrive from that country. You will go through border control.
- **Yellow** (Schengen/EU country): Some restrictions apply to entering Finland. You will go through border control.
- **Red** (non-Schengen/non-EU country): Arriving in Finland is very restricted, and you will go through border control.

Please note, that the Finnish Border Guard updates the country specific status once a week, based on the number of coronavirus incidents in each country, which may change the status and color code for the countries.

RED COUNTRIES (RESTRICTION CATEGORY 2)

Red countries are non-Schengen and non-EU countries which are not included in the list of red-green countries. Entering to Finland is very restricted from these countries. You can check the red countries from the <u>Finnish Border Guard's website</u>.

- Entering Finland is allowed for:
 - Finnish nationals and their family members
 - Nationals of EU and Schengen countries who are residing in Finland and their family members

- Third-country nationals who are residing in Finland with a valid residence permit
- Essential work-related and other necessary travel is allowed with some limitations. Find out more from the Finnish Border Guard's website.
- Transiting via Finland to another EU/Schengen country is allowed providing
 - You are a national or a family member of national of an EU/Schengen country and returning to your country of residence
 - You are a third-country national residing in another
 EU or Schengen country holding a valid residence
 permit and returning to your country of residence
 - If you are a national of a non-EU/non Schengen country, not residing in an EU/Schengen country, the following applies:
 - you can travel via Finland to another EU/Schengen country only if you fulfill one of the Covid-19 entry exceptions granted by your EU/Schengen destination country (and possible transit countries)

- You have a confirmed booking on the first possible flight to that country
- Arriving from a non-Schengen country and transiting to another non-Schengen country, via Finland, is allowed in the following cases
 - You fulfill the entry requirements of the destination country (and the possible transfer requirements of any further transit countries)
 - You remain in the non-Schengen transit area of Helsinki-airport
 - You have a confirmed onward flight on the first possible flight to the non-Schengen destination country and your baggage has been tagged to the final destination
- You will go through border control when arriving at Helsinki Airport.
- The Finnish institute for health and welfare recommends
 10-day self-quarantine upon arrival. Read more <u>here</u>.
- When travelling to Finland from a red country between 1
 October and 13 December, the Finnish institute for health and welfare encourages you to take a coronavirus test before your trip.

You may shorten the 10-day self-quarantine by having a negative coronavirus test result, taken earliest 72 hours prior to travel and getting tested the second time, earliest 72 hours after your trip. Both test results must be negative. You may also shorten the 10-day self-quarantine by getting tested twice after your trip: the first test immediately after having arrived and the second test earliest 72 hours after the first test.

Please note that all travellers are responsible for ensuring that they are allowed entry at the destination or transit country.
