

PASSENGER PROTECTION - Flight protection to Orlando airport (MCO)

Publish date: December 03, 2020

Description:	Due to the temporary or permanent closure of certain routes, the following changes apply to the Passenger Protection Policy. See considerations.
Scope:	Passengers with flights affected due to permanent or temporary cancellation of certain routes.
Implementation date:	Immediate

Considerations: Miami Airport (MIA) is included as an alternative protection due to the definitive/temporary cancellation of Orlando Airport (MCO), below the conditions defined in *PASSENGER PROTECTION - Change in Passenger Protection Policy* of October 7, 2020.

- MCO ⇔ MIA (cancelled until January 2021)

The change of airport alternative is in addition to those already available in the context of Covid (see *Travel solutions for passengers with affected flights*). Any expenses related to the change of airport (e.g.: transportation, hotel, etc.) must be assumed by the customer.

Exception: N/A
