2. Refunds:

Any **cancellations** that were **notified in your GDS queues on/before Mar 18** are entitled to a refund:

- Use refund waiver code **ACUSKEDCHG + flight number**. Example: **ACUSKEDCHG16**
- Input above waiver code in the WAVR field/authorization column for every ticket that you are refunding, missing above waiver code may cause 'ADM'.

Any **cancellations** that are **notified in your GDS queues on/after March 19** are **not allowed any refunds**, unless permitted by fare rule.

Cancel and Refund as per fare rules

- **Cancel all active segments** and process refund.
- If fare is refundable applicable fare amounts/taxes will be refunded
- If fare is cancellable with a penalty (partial refund) applicable fare amounts/taxes will be refunded less any cancellation fee
- Any non-refundable fare amounts or taxes will be forfeited

3. Retaining the value of the ticket as a future credit for 24 months from date that the schedule change occurred:

Save as Future Credit

- Change fee will be waived when customer books new flight
- If the new fare is lower the residual is lost. Additional collection applies if new fare higher
- Any taxes that are refundable and no longer applicable to the reservation will be refunded
- For an unused ticket you have the flexibility of using the value of your credit towards the same or a different destination.
- Apply waiver code to the ticket endorsement field: **CV20VL22**

Process to extend ticket validity to use for a future credit

- Cancel all active segments.
- Book future travel date if it is known.
- If travel date is not known, **create a retention segment** that contains a date and itinerary in the GDS to keep your PNR from purging. For example: OTH in Sabre, ZZ in Travelport & MIS in Amadeus.
- Any Ancillary EMDs (e.g. PETC, meals, seats etc.) may be exchanged, re-associated or refunded via Air Canada Contact Centre.
- You may also add a remark to the PNR that includes the original ticket number.
- Although the original flight, date, name, or record locator can be used to retrieve the PNR, it is recommended for the agency to track information using an internal logging process.

- **Original travel dates** between **March 1, 2020** up to and including **February 28, 2022**
- **Tickets must be issued on/before:** 24 months from the date that the flight was cancelled
- 014 ticket stock
- Applicable to all fare (including basic fare)
- All points-of-sale & all itineraries (including international routes)
- Applicable to agency GDS booking and **wholly unused original tickets** only
- Applicable on Air Canada, Air Canada rouge and Air Canada Express flights. Original ticket must **not** include any codeshare flight or interline segments.
- Waiver **does not** apply to interline/codeshare itineraries on new bookings.
- If the new fare is lower the residual is lost. Additional collection applies if new fare higher.
- Apply waiver code to the ticket endorsement field: **CV20VL22**

One-time free Name Change Process:

- Cancel original ticketed itinerary
- New PNR is booked under new traveler name
- New PNR is set up for exchange, utilizing ticket number from original PNR, the applicable waiver code and charge the client the applicable fees (exchange fee per original fare rules/ADCOL etc.)
- Waiver code must be inputted into the **Endorsement Box of the new ticket AND entered in the New PNR, in the information field, followed by new fare basis code**
 - Amadeus: SROTHSAC-NN1 CHNG/waivercode/farebasis
(e.g SROTHSAC-NN1 CHNG/CV20VL22/VH14E)
 - Sabre: 3OTHS1/NN1 CHNG waivercodeFarebasis
(e.g 3OTHS1/NN1 CHNG CV20VL22VH14E)
 - Worldspan: 3SSROTHS AC NN1 waivercodeFarebasis
(e.g 3SSROTHS AC NN1 CHNG CV20VL22VH14E)
- Failure to apply/enter waiver in endorsement box on ticket and GDS PNR or failure to abide by above rules/regulations, will result in the issuance of a debit memo. The Debit Memo will be issued based on the value of a full fare - no exceptions will apply.

5.1 Air Canada Travel Voucher

- Convert the customer's ticket to an Air Canada Travel Voucher that is **fully transferable** with **no expiration date** and can be **used multiple times** until the entire value is used.
- Please note the Air Canada Travel Voucher **cannot be redeemed in any GDS system**. It is accepted as a form of payment at www.aircanada.com/agents , www.aircanada.com. It can also be used in conjunction with a second form of payment if the value on the Air Canada Travel Voucher is insufficient.
- **Only one** Air Canada Travel Voucher will be issued **equal to the total value** of all unused tickets and EMDs associated with the PNR.
- If unique Air Canada Travel Vouchers are required for multiple tickets in one PNR, the PNR must be divided prior to submitting the request.
- The Air Canada Travel Voucher will be in the currency the ticket was purchased in, as long as it is one of the following currencies: **CAD**, GBP, EUR, **USD**, AUD, CHF, CNY, DKK, **HKD**, JPY, NOK, SEK, TWD, INR and BRL. If the ticket was paid using a currency unsupported by the voucher, it will be issued in Canadian dollars.

5.2 Aeroplan Miles

- Aeroplan Miles will be calculated based on the value of the ticket and EMDs in a booking, minus taxes. In addition to the Aeroplan Miles rate of conversion, a 65% bonus will be applied. The Aeroplan Miles for all tickets on the PNR will be awarded to one Aeroplan account of the passenger name provided on the request.
- This option is only available to Aeroplan members with a mailing address located in the following countries: CA, US, HK, UK, FR, DE, AU.

AIR CANADA

AGENCY BULLETIN

Process of requests for each PNR can be made via a web form (this link is for travel agency use only) which can be accessed by this link: <http://aircanada.com/agency/ACTVAEform>

- **Create retention segment** that contains a date and itinerary in the GDS to keep your PNR from purging.
- Please **cancel any active segments** before submitting the web form request, to avoid ticket status change to No-Show, Revoked, or Forfeited.
- **All tickets on the same PNR must select the same option.** If different options are required, the PNR must be divided prior to submitting the request.
- Please **provide information exactly** as requested to avoid delays in processing. **Terms and conditions will be provided which agencies must acknowledge and accept prior to submitting each request.**
- You will receive an **instant notification** that the web form request has been received, please note it is not an email notification.
- If choosing to convert to the Air Canada Travel Voucher, the voucher and pin (two separate emails) will be sent to the **"The Passenger Email Address"** field which provided on the web form request.
- The turnaround time can be approximately 6-8 weeks, depending on the timing and volume of requests received.
- The web form request **cannot** be cancelled once submitted. Only one request per booking will be accepted.
