TRAVELLING WITHIN FINLAND

We collected you advice for travelling within Finland.

02.03.2021

CORONA CERTIFICATE REQUIREMENT ON FINNAIR FLIGHTS

We don't require a certificate of a negative coronavirus test result from you, if you travel only on a domestic flight within Finland. In case you start your journey from abroad, please read our instructions for arriving to Finland [here.](#)

CORONAVIRUS TESTING AT HELSINKI AIRPORT

You are not directed to coronavirus testing at the airport before or after your flight, when you travel only within Finland. If you are connecting to an international flight, please check the requirements in your destination from the local authorities. We have collected country specific instructions also [here.](#) In case you travel to Finland from abroad, please read our instructions for arriving to Finland [here.](#)

TRAVEL DOCUMENTS

When travelling within the Nordic countries, please take with you a valid passport or EU ID-card. On flights within Finland, we also accept other documents issued by the Finnish authorities for identification purposes, provided they contain a photo, such as driver's licenses.

CHANGING TRAVEL PLANS

If you need to change your travel plans, you can check your options [here.](#)

HEALTHY AND SAFE TRAVELLING

We can together ensure healthy and safe travelling during the pandemic. Please check our instructions [here](#) before your flight.
