

Covid-19 Test Regulations for Passengers bound for Germany

To comply with the Covid-19 test requirements by the German authorities:

- A Covid-19 test (PCR, LAMP, TMA or Antigen) is required by German authorities to board the aircraft bound for Germany. This applies for all passengers aged 6 years or older who take a flight to Germany (direct or transfer).
- The test sampling has to be collected (swab) at the origin city within 48 hours prior scheduled arrival (STA) in Germany.
- 必须在原定抵达德国（出境或转机）的48小时内于始发城市收集测试样本。
- The proof of a negative Covid-19 test has to show the time stamp of “sampling collected” and has to be provided in paper or electronic form in either English, French or German language.
- Covid-19测试阴性证明必须显示“采样”的时间戳，并且必须以纸张或电子形式以英语，法语或德语提供。

48小时内于始发城市收集测试样本例子：如航班预计到达德国(出境或转机)时间为星期四05:30 (STA)，那最早采样时间为星期二11:30。
