

A seamless, sophisticated travel experience with Air Canada Transit on extra flights

Our Air Canada Transit service guarantees travellers a smooth journey from takeoff to touchdown. Travellers flying from Hong Kong to U.S. enjoy an uninterrupted stopover in Vancouver and Toronto: connect to your next flight without leaving the terminal, and clear US customs before landing in the U.S. Your baggage stays checked until you arrive at your final destination. Learn more about transiting through Canada onto the U.S. on the [Air Canada website](#), and entry restrictions at the [IATA Travel Centre](#), [COVID-19 information hub](#). You may need to apply for an Electronic Travel Authorization (eTA) if you transit through Canada. For more details, please visit [Government of Canada](#).
