 VSbulletin

Virgin Atlantic's Airbus A350-1000 aircraft will take to the skies from Hong Kong for the first time this September. The flagship Airbus A350 will operate daily from the 3rd September on the Hong Kong to London Heathrow service.

Upper Class customers can experience its innovative private suite seats, social space, fondly known as The Loft. As the largest social space in the airline's fleet, it's designed for customers to gather, chat, enjoy a drink or dine with friends.

### What's new on the A350-1000

- Five new "Flying Icons" will adorn the fuselage of the brand new A350-1000 fleet. The highflyers are a diverse range of men and women representing modern Britain.
- A first for Virgin Atlantic - our new tailcam offers every customer the best view of outside. Customers will be able to see their surroundings as if they were sitting on the tail of our fabulous A350. Two views are available - tail cam and front facing from the underside of the aircraft.
- Our innovative new feature in Upper Class allows our customers to order what they want, when they want it from the comfort of their Upper Class seat. Customers can choose their meals and drinks on their IFE screen and this will be sent to the crew who will deliver the order to your seat! No more waiting for mealtime!
- The Loft is a unique space for Upper Class customers, and the largest social space across any of Virgin Atlantic's fleet. It's a place to gather, chat, grab a drink or dine with friends. As well as enjoying luxe comfort and high-end finishes, customers can settle in with Bluetooth headphones and connect to the 32 inch screen – catch a show, or watch the live tailcam
- The redesigned Upper Class suite is the perfect retreat at 30,000 feet. Every seat faces towards the window and boasts enhanced privacy, plenty of space and storage, adjustable mood lighting, an 18.5-inch screen – all with Virgin Atlantic style. Featuring luxurious claret leather with intricate, signature Virgin woven coral stitching
- A redesigned Premium cabin with rich, custom leather seats and high-end finishes. Tailored for Virgin Atlantic the Premium seat features luxurious Claret leather seat with intricate stitch detailing, a pressed black wool cocktail tray and meal table, and an Oxblood red upper literature pocket interior

 VSbulletin

- Six-way adjustable headrests ensure comfort on Virgin Atlantic's newest Economy seats which are designed with bespoke woven fabrics inspired by fashion houses
- We're taking inflight entertainment to new levels with the Zodiac Rave System from Zodiac Inflight Innovations (Zii) and our largest ever inflight screens at 18.5" in Upper, 13.3 inches in Premium and 11.6 inches in Economy. Customers will be able to choose from over 100 movies, 300 hours of TV shows, over 350 albums and podcasts and over 45 hours of kid's content.

Virgin Atlantic offers unlimited free date and flight changes for new bookings as part of a series of enhancements to give further [flexibility to customers](#) and support their future travel plans. Alongside the improved changes policy, the rebooking horizon has been extended for all customers all the way until 30 April 2023, giving a broader window of time to reschedule plans if needed.

To ensure the [health and safety](#) of customers and crew, Virgin Atlantic is implementing additional measures to offer peace of mind in the airport and when taking to the skies. These include enhanced and thorough cleaning practices at check in, boarding gates and onboard including the use of electrostatic spraying of high-grade disinfectant in all cabins and lavatories before every flight, ensuring no surface is left untouched. Safe distancing will also be adhered to wherever possible, and mask wearing will be required throughout the journey. All customers will be provided with a personal Health Pack for their health and safety, which will contain three medical grade face masks to be worn onboard, surface wipes and hand gel.

Discover [our brand new A350 aircraft](#), and see the passion we poured into creating it in this behind the scenes [video](#). Packed with innovation, our A350 is the new heartbeat of our fleet, and we hope you love it as much as we do.

**We look forward to welcoming our customers back on board soon!**
